

From Washington.

Correspondence of the Charleston Courier.
WASHINGTON, June 1.
Ere this shall appear in type, in all probability the result of the Democratic National Convention will have been made known in your city through the agency of the electric fluid; therefore, I shall not weary your readers with any futile speculations as to the result. I may be permitted, however, to remark that it is not improbable that the ticket so much commended to "Young America"—Douglas and Houston—may be adopted. As to the platform, it is probable that it will embrace two leading features. The first will be the endorsement of the compromise, including the fugitive slave law; and the second will be a pledge to bring back the administration of the national finances to a system of economy and of accountability. Mr. Buchanan took occasion some months ago, in a political letter, to place the latter issue before the party as the most important one for their consideration at this time. Its importance cannot be overrated. The expenses of the government will reach fifty one millions this year. They have been quadrupled in a little over a fourth of a century, and are rapidly on the increase. There is a lack of accountability on the part of public officers, want of system in keeping public accounts, and a recklessness of public expenditure, that favors and encourages and must lead to cupidity and corruption.

Mr. Hunter closed the debate on the Deficiency bill yesterday, with an able and interesting speech on the administration of the national finances. In the course of his speech he suggested the necessity of the formation of a party that would look unscrupulously to this subject, and also to the preservation of the rights of the States, and thereby preserve the harmony and integrity of the Union.

The House considered, yesterday, a resolution for closing the session on the last of August, and postponed it till next week. The session will be closed about the end of August.

From the Carolinian.

Palmetto Monument.

At a meeting of the Palmetto Regiment, held on the 20th August last, it was resolved that a Committee of three from each Company of the Regiment be constituted a committee to raise funds, in their own and adjoining districts, for the purpose of erecting a Monument to Col. Butler and some of the Palmetto Regiment who died in service. The following composed said Committee:

Company A—F. Sumter, J. D. Blanding, R. S. Mellet.
Company B—W. S. Lilly, J. Danovant, N. R. Leves.
Company C—Jas. Cantey, S. J. Young, Z. Cantey.
Company D—P. S. Brooks, W. C. Morange, Joseph Abner.
Company E—J. F. Marshall, Lieut. Selick, Sergt. Hodges.
Company F—Wm. Blanding, Sergt. Rivers, M. Verrier.
Company G—J. A. Kennedy, Elias Earle, E. A. Rabb.
Company H—W. D. DeSaussure, Thomas M. Moye, Henry Rabb.
Company I—J. B. Conant, Andrew Seacrest, M. Helton.
Company K—N. J. Walker, Lieut. O'Bannon, H. W. Bamberg.
Company L—J. H. Williams, H. C. Higgins, Jacob Warner.

We give below, for the purpose of extending the information, the proceeding of a recent meeting of the Monument Association, together with a copy of the circular addressed by the Chairman, Col. Gladden, to the members of the above committee. We do not believe it necessary for us to say a word by way of appeal to the patriotism of South Carolinians. The monument must be built, for the matter is in the hands of men who lay aside all other considerations but their duty to the gallant dead. We only express the hope that the subscriptions will be prompt and liberal. We believe they will.

At a meeting of the Palmetto Monument Association, held in Columbia, on the 25th day of April, 1852, W. B. Stanley was elected secretary and treasurer.

The following resolutions were adopted:

- Resolved, That five members constitute a quorum for the transaction of business.
- Resolved, That each member of the committee appointed under the resolution of the 20th August last, to obtain subscriptions to erect a monument to the memory of Col. Pierce M. Butler and the dead of the Regiment, be requested to transmit to the treasurer the amount collected.
- Resolved, That a monument be erected, to cost not less than ten thousand dollars, and that the chairman be requested to obtain a plan for the same.

On motion, the committee adjourned, to meet in Columbia on the 29th June, at 12, M.

A. H. GLADDEN, Chairman.
Wm. B. STANLEY, Sec'y and Treas'r.

COLUMBIA, S. C., May 13, 1852.
DEAR SIR: In accordance with the above resolutions, I respectfully request that you will use your exertions in your district to obtain subscriptions for the above named object, and report personally or by letter on or before the 29th June next.

Respectfully, your obedient servant,
A. H. GLADDEN, Chairman.

* NOMINATION FOR CONGRESS.—A correspondent of the Winthrop Observer nominates the Hon. J. Izard Middleton as a candidate for Congress in the Fourth Congressional district of this State.

INTERESTING TO HOTEL-KEEPERS.—Two brothers named Shinn, who stopped at the Indiana Queen Hotel, New Orleans, on their way from California, and while there had their trunk robbed of \$5,325 in gold, have recovered a judgement for the amount against the proprietor. The Court decided that inn-keepers are liable for the property stolen from strangers and travellers sojourning at their inns.

Preparations were made at Bath (Me.) on Sunday before last, for the interment of a man named Mrs. Burn. On handling the body it was discovered to be slightly warm; and there were other indications that although her blood was not perfectly in motion, she was yet alive. The lancet was applied and blood flowed quite freely, and the application of glass to the mouth and nostrils indicated a slight respiration. Up to Thursday her condition appeared to be improving, but there was no sign of consciousness. Her body will be kept until there are indications of decay.

A CROWDED CITY.

We never, the New York Herald remarks, saw New York so crowded in its hotels and public houses, as during these days. The length and severity of the winter have thrown all the usual casual visitors of that season into the street. The principal hotels generally turn away from fifty almost every night. These travellers have, frequently, to drive round town for a couple of hours, visiting half a dozen hotels in their peripatations, before they find shelter for the night. These crowds of visitors fill our concert rooms, theatres, and all public places, night after night.

FATAL ACCIDENT.—On Saturday the 15th inst., a man by the name of Henry Scroggins was killed by the kick of a horse. The circumstances as we learned them, are as follows: Two persons were fighting. Scroggins stepped up to them, and as he pulled them apart one of them gathered him, both of them fell near a horse, which kicked Scroggins on the forehead, breaking his skull. S. lived till next morning.—Kennebec Courier, 29th ult.

SOUTHERN INDUSTRY.—An extensive Type Foundry has been established at Athens Ga., by Messrs. Chist and Koles. They promise to furnish all materials for the most extensive printing office. They deserve encouragement.

The following strange story appeared in the Key West Gazette, relative to captivity in that city:

"Some years ago, a seaman by the name of Sherwood, accidentally shot a shipmate on the 4th of July, and was placed in this jail to await his trial. The main door had no lock or bolt, and Sherwood roamed abroad when he pleased, but made it a point of honor to sleep in the prison. His friends vainly urged him to go off; and the jailor, finally getting tired of being bored, swore that he would have to go, as he did not believe him guilty. Sherwood begged hard to remain, and promised to work for the jailor to pay his board. Upon these terms he was suffered to remain in prison, working daily for his keeper to pay his board, until his trial came off, and he was finally hung. Here was an honest Key West criminal; he did not deem himself guilty, but was perfectly willing to be hung if the community desired it. He was hung; and as no other one has ever applied for capital punishment here since, none has been inflicted."
